BUSINESS

DNR Update

Discussion was held on mowing the Lake Wilson segment of the trail to be used as a walking trail. The ground would need to be smoothed and trees trimmed before the trail would be ready for mowing. Mavis and Chris will look at the trail to see about filling holes. This would need to wait until after Labor Day.

The question was raised about the County Road 38 bridge in Currie wondering if it will be widened for bicyclists and pedestrians. This will be checked into and reported at the next meeting.

Woodstock City Council Meeting

The council meets the third Thursday of the month. It was the consensus of the Board to attend a meeting and give a presentation on the paving of the five miles and finding a route through Woodstock.

Lake Wilson Trailhead Design Proof

Mick stated he has not received the proof yet.

Drone Fly Over

Terry Thone did a wonderful job with the drone fly over and it was discussed if a narration could be added to the video.

Annual Meeting Comments

Everyone felt the annual meeting went well and are looking forward to working on the 20 month plan.

What's Next

Mick stated he will be speaking at the Sagio meeting.

ADJOURNMENT
