Friends of the Casey Jones Trail Association

The Friends of the Casey Jones Trail Association is a non-profit corporation formed to advocate for the continued development of the Casey Jones State Trail. We appreciate your support in our efforts to achieve our dream: A multi-seasonal, multi-use trail of over 100 miles running diagonally from the southwest corner of Minnesota to the Minnesota River. With other trails groups in the region creating trails as well, there is potential for a vast, interconnected series of trails crisscrossing Southwest Minnesota!

The Friends of the Casey Jones Trail Association is a public charity exempt from Federal income tax under section 501(c)3 of the Internal Revenue Code. Your membership and other gifts to the Association are tax deductible.
